

# Parkinson's learning

For health and social care staff

## 145,000

people in the UK today have a diagnosis of Parkinson's.

That's around one adult in every 350.

Make sure you're ready to treat and care for people with Parkinson's – sign up for free, expert learning developed by Parkinson's UK.

UK PARKINSON'S  
**Excellence  
Network**

The UK Parkinson's Excellence Network brings together health and social care professionals to transform care for people affected by Parkinson's.

# Parkinson's learning

We have courses and opportunities to suit every type of learner – whether you're new to Parkinson's or you have some experience and want to extend your knowledge. Courses range from 15 minutes to two days.

## Online learning

### New to Parkinson's and only have 30 minutes to learn?

- **Parkinson's awareness:** a 15-minute online presentation for ward staff.
- **Domiciliary care for someone with Parkinson's:** a 20-minute presentation for home care workers.
- **Caring for your resident with Parkinson's:** a 20-minute presentation for residential care workers.

### Got more time and want to learn more?

- **Parkinson's:** foundation modules for health and social care staff.
- **Parkinson's:** foundation modules for pharmacists.
- **Parkinson's:** foundation modules for junior doctors.
- **Understanding Parkinson's** for health and social care staff – online.
- **Parkinson's:** an introduction to caring for someone on your ward.

### Experienced in Parkinson's and want to extend your knowledge?

- **Parkinson's:** managing palliative and end of life care.
- **Parkinson's:** managing bone health and fracture risk.

### Prefer face-to-face learning?

- **Introduction to Parkinson's for care staff:** a 1-hour course at your workplace.
- **Study day (6 hours):** suitable for all levels of health and social care staff.

### Want to share your learning about Parkinson's with your colleagues?

- **Parkinson's Explored:** 2-day train the trainer programme.  
You'll be able to deliver a 3-hour PowerPoint session in your workplace.
- **Understanding Parkinson's:** 2-day train the trainer programme.  
You'll be able to deliver five x 2.5-hour study sessions in your workplace.
