Scientific Members

Professor Dag Aarsland

Chair of Old Age Psychiatry, King's College London

[Profile of Dag Aarsland](#)

Professor Andrey Abramov

Professor in Cell Physiology and Pathology, University College London

[Profile of Andrey Abramov](#)

Dr Kambiz Alavian

Department of Brain Sciences, Imperial College London

[Profile of Kambiz Alavian](#)

Dr Javier Alegre-Abarrategui

Clinical Senior Lecturer in Neuropathology, Imperial College London

[Profile of Alegre-Abarrategui](#)

Dr Lydia Alvarez-Erviti

Principal Investigator, Molecular Neurobiology, Center for Biomedical Research of La Rioja

[Profile of Lydia Alvarez-Erviti](#)

Professor Adriano de Oliveira Andrade

Professor in Biomedical Engineering, Federal University of Uberlândia

[Profile of Adriano de Oliveira Andrade](#)

Dr Cristine Alves Da Costa

Research director, INSERM and Team leader, Institute of Pharmacology Moléculaire et Cellulaire in France

[Profile of Cristine Alves Da Costa](#)

Dr Dilan Athauda

Academic Clinical Lecturer in Neurology, University College London

[Profile of Dr Dilan Athauda](#)

Professor Oliver Bandmann

Professor of Movement Disorders Neurology, University of Sheffield

[Profile of Oliver Bandmann](#)

Professor Roger Barker

Department of Clinical Neurosciences, Cambridge University

[Profile of Roger Barker](#)

Dr Erwan Bezard

University of Bordeaux

[Profile of Erwan Bezard](#)

Professor Bas Bloem

Consultant neurologist, Professor and Medical Director of the Department of Neurology, Radboud University Medical Centre

[Profile of Bas Bloem](#)

Professor David Brooks

Professor of Clinical PET Research, Newcastle University

[Profile of David Brooks](#)

Professor David Brown

Department of Biology & Biochemistry, University of Bath

[Profile of David Brown](#)

Professor Richard Brown

Professor of Neuropsychology and Clinical Neuroscience, King's College London

[Profile of Richard Brown](#)

Dr Hayriye Cagnan

Associate Professor and MRC Career Development Fellow, University of Oxford

[Profile of Hayriye Cagnan](#)

Dr Marta Camacho

Neuropsychologist/Research Associate, University of Cambridge

[Profile of Marta Camacho](#)

Professor Camille Carroll

Professor of Clinical Neuroscience, Newcastle University

[Profile of Camille Carroll](#)

Professor Lisa Chakrabarti

Professor of Mitochondrial Biology, University of Nottingham

[Profile of Lisa Chakrabarti](#)

Professor K Ray Chaudhuri

Professor of Movement Disorders and Neurology, King's College London

[Profile of K Ray Chaudhuri](#)

Professor Zofia Chrzanowska-Lightowlers

Faculty of Medical Sciences, Newcastle University

[Profile of Zofia Chrzanowska-Lightowlers](#)

Dr Naomi Cocks

Associate Professor, Curtin University

[Profile of Naomi Cocks](#)

Dr Shelly Coe

Senior Lecturer in Nutrition, Oxford Brookes University

[Profile of Shelly Coe](#)

Professor Michael Coleman

Department of Clinical Neurosciences, University of Cambridge

[Profile of Michael Coleman](#)

Dr Lucy Collins Stack

Lecturer in Anatomy and Neuroscience, University College Cork

[Profile of Lucy Collins Stack](#)

Professor Joan Condell

Professor of Intelligent Technologies, Ulster University

[Profile of Joan Condell](#)

Dr Niamh Connolly

Lecturer in Physiology and Medical Physics, Royal College of Surgeons in Ireland

[Profile of Niamh Connolly](#)

Dr Mark Cookson

National Institute on Aging, US Department of Health and Human Services

[Profile of Dr Mark Cookson](#)

Dr Olga Corti

Paris Brain Institute

[Profile of Olga Corti](#)

Professor Stephanie Cragg

Professor of Neuroscience, University of Oxford

[Profile of Stephanie Cragg](#)

Dr Jeffrey Davies

Associate Professor, Biomedical Sciences, Swansea University

[Profile of Jeffrey Davies](#)

Dr Silvia Del Din

University Academic Track (NUacT) Fellow, Newcastle University

[Profile of Silvia Del Din](#)

Dr Thomas Durcan

Associate Professor and Associate Director of the EDDU at The Neuro, McGill University

[Profile of Thomas Durcan](#)

Professor Susan Duty

Professor in Pharmacology & Neuroscience, King's College London

[Profile of Susan Duty](#)

Dr Nicolas Dzamko

Senior Research Fellow - Brain and Mind Centre, University Of Sydney

[Profile of Nicolas Dzamko](#)

Professor Gammon Earhart

Professor of Physical Therapy, Neurology, Neuroscience, Washington University in St. Louis

[Profile of Gammon Earhart](#)

Professor Nicola Edelstyn

Professor of Cognitive Neuropsychology and Rehabilitation, Keele University

[Profile of Nicola Edelstyn](#)

Professor Sahar El Aidy

Professor of Microbiome Engineering, University of Amsterdam

[Profile of Sahar El Aidy](#)

Professor David Eliezer

Professor of Biochemistry and Neuroscience, Weill Cornell Medicine

[Profile of David Eliezer](#)

Professor Marina Emborg

Professor of Medical Physics, University of Wisconsin-Madison

[Profile of Marina Emborg](#)

Dr Saranna Fanning

Instructor in Neurology, Brigham and Women's Hospital and Harvard Medical School

[Profile of Saranna Fanning](#)

Professor Howard Federoff

Professor of Neurology and Neuroscience, Georgetown University

[Profile of Howard Federoff](#)

Professor David Finkelstein

Research Fellow, University of Melbourne

[Profile of Professor David Finkelstein](#)

Professor Tom Foltynie

Professor of Neurology, University College London

[Profile of Tom Foltynie](#)

Professor Rosemary Fricker

University of Cambridge

[Profile of Rosemary Fricker](#)

Professor Sonia Gandhi

Wellcome Trust Intermediate Clinical Fellow, Honorary Consultant Neurologist, UCL Institute of Neurology

[Profile of Professor Sonia Gandhi](#)

Dr Monte A. Gates

Senior Lecturer in Medicine & Neuroscience, Keele University

[Profile of Dr Monte A. Gates](#)

Dr Matthew Gegg

Principal Research Fellow, UCL Queen Square Institute of Neurology

[Profile of Dr Matthew Gegg](#)

Professor Steve Gentleman

Professor of Neuropathology, Imperial College London

[Profile of Steve Gentleman](#)

Dr Alexander Gerhard

Senior Lecturer for Neurology, University of Manchester

[Profile of Alexander Gerhard](#)

Dr Daniel Gonzalez Carter

Junior Leader Research Fellow, Institute for Bioengineering of Catalonia (IBEC)

[Profile of Daniel Gonzalez Carter](#)

Professor Annette Hand

Clinical Academic Professor of Nursing, Northumbria Healthcare NHS Foundation Trust /
Northumbria University

[Profile of Annette Hand](#)

Dr Emdadul Haque

Associate Professor and Program Coordinator, United Arab Emirates University

[Profile of Emdadul Haque](#)

Professor Kirsten Harvey

Professor of Molecular Neuroscience & Cell Biology, University College London

[Profile of Professor Kirsten Harvey](#)

Dr Peter Hobson

Principal Healthcare Scientist, Betsi Cadwaladr University

[Profile of Peter Hobson](#)

Dr Mathew Horrocks

School of Chemistry, University of Edinburgh

[Profile of Mathew Horrocks](#)

Professor Michele Hu

Professor of Clinical Neuroscience, University of Oxford

[Profile of Michele Hu](#)

Professor Marjan Jahanshahi

Cognitive-Motor Neuroscience Group, University College London

[Profile of Marjan Jahanshahi](#)

Professor Poul Jensen

Professor and Head of the Institute of Medical Biochemistry, University of Aarhus

[Profile of Poul Jensen](#)

Dr Julie Jones

Physiotherapeutic management of people with Parkinson's, Robert Gordon University
Aberdeen

[Profile of Julie Jones](#)

Dr Rahele Kafieh

Assistant Professor in Bioengineering, Durham University

[Profile of Rahele Kafieh](#)

Dr Christopher Kobylecki

Consultant neurologist, Manchester Centre for Clinical Neurosciences

[Profile of Christopher Kobylecki](#)

Professor Benoit Kornmann

Department of Biochemistry, University of Oxford

[Profile of Benoit Kornmann](#)

Professor Edgar Kramer

Professor of Neurodegenerative Diseases, University of Plymouth

[Profile of Edgar Kramer](#)

Professor Tilo Kunath

Group Leader and Professor in Regenerative Neurobiology, University of Edinburgh

[Profile of Tilo Kunath](#)

Dr Sarah K. Lageman

Associate Professor, Virginia Commonwealth University

[Profile of Sarah K. Lageman](#)

Professor Heike Laman

Head of Department of Pathology and Professor of Cellular & Molecular Biology, University of Cambridge

[Profile of Professor Heike Laman](#)

Professor Merrill Landers

Department Chair & Professor of Physical Therapy, University of Nevada

[Profile of Professor Merrill Landers](#)

Dr Emma Lane

Patient Engagement Lead, UCB Pharma

[Profile of Emma Lane](#)

Professor Jon Lane

Professor of Cell Biology, University of Bristol

[Profile of Professor Jon Lane](#)

Dr Charmaine Lang

Departmental Research Lecturer and Parkinson's UK/Rosetrees Trust Senior Research Fellow, University of Oxford

[Profile of Charmaine Lang](#)

Dr Rachael Lawson

Janet Owens Parkinson's UK Senior Research Fellow, Clinical Ageing Research Unit, Newcastle University

[Profile of Rachael Lawson](#)

Dr Michael Lawton

Lecturer in Medical statistics, University of Bristol

[Profile of Michael Lawton](#)

Professor Iracema Leroi

Professor of Dementia in Aging and Psychiatry, University of Manchester

[Profile of Iracema Leroi](#)

Professor Patrick Lewis

Professor of Neuroscience, Royal Veterinary College, University of London

[Profile of Patrick Lewis](#)

Dr Max A Little

School of Computer Science, University of Birmingham

[Profile of Max A Little](#)

Dr Michael Lones

School of Mathematical and Computer Sciences, Heriot-Watt University, Edinburgh

[Profile of Michael Lones](#)

Professor Anja Lowit

Speech and Language Therapy, University of Strathclyde, Glasgow

[Profile of Professor Anja Lowit](#)

Dr Joan Ma

Senior Lecturer in the Speech and Hearing Sciences, Queen Margaret University

[Profile of Joan Ma](#)

Dr Angus Macleod

Senior Lecturer (Clinical), University of Aberdeen

[Profile of Angus Macleod](#)

Dr Antonella Macerollo

Honorary Clinical Senior Lecturer, University of Liverpool and Consultant Neurologist, Walton Centre NHS Foundation Trust

[Profile of Antonella Macerollo](#)

Dr David Matuskey

Associate Professor of Radiology and Biomedical Imaging, Yale University School of Medicine

[Profile of David Matuskey](#)

Professor Monica McHenry

Professor of Speech-language Pathology, New York Medical College

[Profile of Monica McHenry](#)

Dr Richard Mead

Sheffield Institute for Translational Neuroscience

[Profile of Richard Mead](#)

Dr Su Metcalfe

Cambridge Neuroscience, University of Cambridge

[Profile of Su Metcalfe](#)

Dr Christopher Morris

Senior Lecturer in Translational and Clinical Research, Newcastle University

[Profile of Christopher Morris](#)

Professor Huw Morris

Professor of Clinical Neurosciences, University College London

[Profile of Huw Morris](#)

Dr Rosie Morris

Assistant Professor in Neurological Physiotherapy, Northumbria University

[Profile of Rosie Morris](#)

Professor Heather Mortiboys

Professor of Cellular Neuroscience and Metabolism, University of Sheffield

[Profile of Heather Mortiboys](#)

Professor Alastair Noyce

Professor in Neurology and Neuroepidemiology, Queen Mary University of London

[Profile of Alastair Noyce](#)

Dr Lia Panman

Team Leader-Neuroscience, DefiniGEN

Professor Laura Parkinnen

Professor of Translational Neuropathology, Oxford Parkinson's Disease Centre, University of Oxford

[Profile of Laura Parkinnen](#)

Dr Annette Pantall

Lecturer, Clinical Ageing Research Unit, Newcastle University

[Profile of Annette Pantall](#)

Dr Richard Parsons

Senior Lecturer in Biochemical Toxicology, King's College London

[Profile of Richard Parsons](#)

Professor Sandip Patel

Professor of Cell Signalling, University College London

[Profile of Sandip Patel](#)

Professor Nicola Pavese

Professor of Clinical Neuroscience, Newcastle University

[Profile of Nicola Pavese](#)

Professor Neil Pearce

Professor of Epidemiology and Biostatistics, London School of Hygiene and Tropical Medicine

[Profile of Neil Pearce](#)

Dr Paula Perez-Pardo

Assistant Professor in Pharmacology, Utrecht University

[Profile of Paula Perez-Pardo](#)

Dr Daniel Peterson

Associate Professor, College of Health Solutions, Arizona State University

[Profile of Daniel Peterson](#)

Professor Suzanne Pfeffer

Professor of Biochemistry, Stanford University School of Medicine

[Profile of Suzanne Pfeffer](#)

Professor Paola Piccini

Department of Brain Sciences, Imperial College London

[Profile of Paola Piccini](#)

Professor Ruth Pickering

Professor of Medical Statistics, University of Southampton

[Profile of Ruth Pickering](#)

Professor Consuelo Pizarro

Professor of Analytical Chemistry, Universidad de la Rioja

[Profile of Consuelo Pizarro](#)

Professor Helene Plun-Favreau

Professor of Cellular Neurodegeneration, University College London

[Profile of Helene Plun-Favreau](#)

Professor Marios Politis

Director of Mireille Gillings Neuroimaging Centre, University of Exeter

[Profile of Marios Politis](#)

Professor Alexandra Porter

Professor of Bio-imaging and Analysis, Imperial College London

[Profile of Alexandra Porter](#)

Professor Christos Proukakis

Professor of Neurology and Neurogenetics, UCL Queen Square Institute of Neurology

[Profile of Christos Proukakis](#)

Professor John Quinn

Molecular and Clinical Pharmacology, University of Liverpool

[Profile of John Quinn](#)

Professor Nicola Ray

Professor of Neuroscience, Manchester Metropolitan University

[Profile of Nicola Ray](#)

Dr Hardy Rideout

Collaborating/Visiting Scientist, Biomedical Research Foundation, Academy of Athens.

Professor Lynn Rochester

Professor of Human Movement Science, Newcastle University

[Profile of Lynn Rochester](#)

Dr Marc Roig

Associate Professor, McGill University

[Profile of Marc Roig](#)

Professor Dawn Rose

Senior Research Associate, Lucerne University of Applied Sciences and Arts

[Profile of Dawn Rose](#)

Dr Andreas Roussakis

Clinical Operations Lead and Consultant Neurologist, Imperial College Healthcare NHS Trust

[Profile of Andreas Roussakis](#)

Dr Isabella Russo

Assistant Professor of Biology, University of Brescia

[Profile of Isabella Russo](#)

Professor Catherine Sackley

Chair in Rehabilitation, King's College London

[Profile of Catherine Sackley](#)

Dr António Salgado

Life and Health Sciences Research Institute (ICVS) at University of Minho

[Profile of António Salgado](#)

Professor Tony Schapira

Professor of Neurological Science, University College London

[Profile of Tony Schapira](#)

Professor Matthew Seaman

Professor of Cell and Membrane Biology, Cambridge Institute of Medical Research

[Profile of Matthew Seaman](#)

Professor Andrew Sharott

Professor of Neuroscience, University of Oxford

[Profile of Andrew Sharott](#)

Dr Rob Skelly

Honorary Assistant Professor, University of Nottingham and Consultant Geriatrician, University Hospitals of Derby and Burton,

[Profile of Rob Skelly](#)

Professor Richard Smeyne

Professor of Neuroscience, Thomas Jefferson University

[Profile of Richard Smeyne](#)

Professor Stephen Smith

School of Physics, Engineering and Technology, University of York

[Profile of Stephen Smith](#)

Professor Maria Grazia Spillantini

Cellular and Molecular Neuroscience, University of Cambridge

[Profile of Maria Grazia Spillantini](#)

Dr Vasanta Subramanian

Department of Biology & Biochemistry, University of Bath

[Profile of Vasanta Subramanian](#)

Professor Aideen Sullivan

Department of Anatomy and Neuroscience, University College Cork, Ireland

[Profile of Aideen Sullivan](#)

Professor Sean Sweeney

Department of Biology, University of York

[Profile of Professor Sean Sweeney](#)

Professor Jerome Swinney

Professor of Neuropharmacology, University of Portsmouth

[Profile of Jerome Swinney](#)

Dr Stefano Tamburin

Associate Professor of Neurology, Biomedicine and Movement, Verona University

[Profile of Stefano Tamburin](#)

Dr Adriana Tavares

Centre for Cardiovascular Science, University of Edinburgh

[Profile of Adriana Tavares](#)

Professor Bobby Thomas

Pediatric Neurotherapeutics, Medical University of South Carolina

[Profile of Bobby Thomas](#)

Dr Travis Turner

Director of Neuropsychology Division, Medical University of South Carolina

[Profile of Travis Turner](#)

Professor James Uney

Professor of Molecular Neuroscience, University of Bristol

[Profile of James Uney](#)

Dr Erwin van Wegen

Associate Professor of Neurorehabilitation, Amsterdam University Medical Center

[Profile of Erwin van Wegen](#)

Dr Marta Vallejo

Tenure-Track Research Fellow - Cognitive Assistive Robotic Environments Group, Heriot Watt University

[Profile of Marta Vallejo](#)

Professor Michele Vendruscola

Professor of Biophysics, University of Cambridge

[Profile of Michele Vendruscola](#)

Dr Anthony Vernon

Reader in Neuropsychopharmacology, King's College London

[Profile of Anthony Vernon](#)

Professor Richard Wade-Martins

Professor of Molecular Neuroscience, University of Oxford

[Profile of Richard Wade-Martins](#)

Professor Caleb Webber

Professor of Bioinformatics, Cardiff University

[Profile of Caleb Webber](#)

Dr Alex Whitworth

MRC Mitochondrial Biology Unit, University of Cambridge

[Profile of Alex Whitworth](#)

Professor David Wilkinson

School of Psychology, University of Kent

[Profile of David Wilkinson](#)

Professor Nigel Williams

Division of Psychological Medicine and Clinical Neurosciences, Cardiff University

[Profile of Nigel Williams](#)

Dr Caroline Williams-Gray

Principal Research Associate, University of Cambridge

[Profile of Caroline Williams-Gray](#)

Dr Ching-On Wong

Assistant Professor in the Department of Biological Science, Rutgers University

[Profile of Ching-On Wong](#)

Professor Sue Wonnacott

Department of Life Sciences, University of Bath

[Profile of Sue Wonnacott](#)

Dr Alison Yarnall

Clinical Ageing Research Unit, Newcastle University

[Profile of Alison Yarnall](#)

Dr William Young

Senior Lecturer in Rehabilitation Psychology, University of Exeter

[Profile of William Young](#)

Dr Angeliki Zarkali

Alzheimer's Research UK Clinical Research Fellow, UCL Queen Square Institute of Neurology

[Profile of Angeliki Zarkali](#)
