

PARKINSON'S

Excellence Network

Improve your Parkinson's service!

Does your elderly care, neurology, physiotherapy, occupational therapy or speech and language therapy service see Parkinson's patients for the management of their condition? Are you a hospital pharmacy service dealing with Parkinson's medication?

2025 UK Parkinson's Audit

Registration opens Monday, 10 February 2025.

- Each specialty needs to register separately.
- Quick and simple online data entry from May to September 2025.
- Receive a confidential bespoke report for your service.
- Opportunity to take part in UK wide service improvement projects.

Contact audit@parkinsons.org.uk for information and to receive updates.
