

Parkinson's UK: Self-exclusion form

If you feel you are concerned about your gambling and would like to request that Parkinson's UK excludes you from receiving gambling related marketing material, please complete and submit this form. Self-exclusion is a formal process where you request and we agree not to allow you to participate in our raffles and the weekly Unity Lottery (whether they are online or paper based).

By submitting your information below on this self-exclusion form, Parkinson's UK will exclude you from all of its raffle and lottery activities.

When we receive your request, we will record your self exclusion and we'll also inform the team at Unity Lottery. We will confirm with you that your self-exclusion has been received and processed. When we prepare future raffle or lottery communications, we'll check our self-exclusion register to ensure that you are not sent these. If you have already purchased tickets in a future raffle or lottery and we receive your self-exclusion form before the draw close date, we'll refund your payment and remove your entries from the draw.

You will remain self-excluded for a period of at least 6 months and beyond this, until you decide to play the raffle or lottery or notify us that you wish your self-exclusion to be removed. You can notify us of this change by contacting Parkinson's UK Supporter Care Team.
